

KAISER has a direct partnership with Grow Therapy and handles all referrals internally.

To schedule an appointment:

1. Please call the member services # on your Kaiser insurance card to speak to a representative.
2. Request an authorized referral to see a Grow Therapy provider, **Dr. E. Andrew Stenhouse**.
3. Once Kaiser confirms a referral, they send it over to Grow directly, and you can expect to receive an email from us to proceed with booking.
4. Kaiser clients can reach our Partnerships Team at [408-402-4385](tel:408-402-4385) or email kaisersupport@growththerapy.com if you have any additional questions.
